

## NEW ENGLAND WATER ENVIRONMENT ASSOCIATION

### JAMES J. COURCHAINED COLLECTION SYSTEMS AWARD

The award is given to a NEWEA member to recognize their outstanding efforts in the operation, maintenance, management or design of a wastewater collections system. The award recipient exemplifies the dedication essential to continuously improve a wastewater collection systems' capability to adequately, cost-effectively, and safely service its community's ongoing needs.

#### Definitions:

1. "Collection System" is defined as sewer lines, pumping stations, and appurtenances (i.e., manholes, chambers, and CSOs, etc.), as well as specialized equipment used in collection system operation and maintenance (i.e., wastewater flow meters, samplers, and sewer maintenance equipment).
2. "Collection systems personnel" is defined as any person involved in the operation, maintenance, management, or design of a wastewater collection system.

#### Criteria:

1. The nominee's area of service must be in one or more of the following: management, planning, operation and maintenance, safety, facility design, education, training, or research of any aspect of a collection system.
2. The efforts of the nominee must have resulted in one or more of the following: improved system operation, benefit to the environment, significant cost savings or improved systems understanding, safety, training, enhance personal growth, or other considerations pertinent to collection systems for which specific recognition is warranted.

#### Submittal Requirements:

Six (6) copies of each:

1. Nomination form.
2. One-page biography of the nominee.
3. Specific reasons (contributions and/or achievements) for nomination—one-page maximum.
4. Supporting information/documentation for the specific reasons indicated.

#### Nominations Accepted from:

NEWEA members in the "Active" category.

#### Submittal Schedule:

Nomination material for the James J. Courchaine Collection Systems Award will be accepted at the NEWEA office until June 1.
