

## Officer & Committee Report Form : Entry # 7599

### Executive Committee Meeting Date

January

### Name of Committee or Office

Water Reuse Committee

### Activities/Decisions Since Last Executive Meeting

1. Chair and Vice Chair agreed to be reviewers of Water Reuse themed Journal planned to be released in 2023
2. NEWEA Innovation Committee Chair Bruce Walton reached out and asked if reuse committee was willing to support a request to the Massachusetts State Plumbing Board to not require dye for non-potable water reuse systems. Bruce Douglas indicated that the Water Reuse Committee could discuss the topic and also refereed Bruce Walton to contact the Scott Firmin of the Government Affairs committee

### Meetings/Conference Calls Held

none - one is scheduled for 1/23/2023 at the annual conference

### Action Plan Committee/Officer Assignments

none

### Committee Member School Outreach Activities

none

### General Comments

The Water Reuse is looking for a new Chair - the current chair is no longer focused on water reuse and would like to hand over the reins to someone active in the area of water reuse. The current vice chair is not able to take on the responsibilities of being the committee chair at this time.
