

FROM HERE TO THERE

Operational Realities of Hydrosolids Removal

Resource
Management, Inc.

Gavin Macdonald
Operations Manager

Overview of Operational Challenges

- Tight facility footprint
- Lagoon design considerations
 - Drainage Sand
 - Piping
 - Weight
- Handling challenges
- Benefits of maintenance

Tight Spaces

Tight footprint for...

removal

loading

Finesse Required

Piping located in the lagoon

Preservation of filter sand

Material Handling Challenges

Challenges come in all sizes

Routine Maintenance

- ✓ **Maintain operations within design capacity**
- ✓ **Preservation of infrastructure**
- ✓ **Avoid excessive storage**
- ✓ **Budgetary cost containment**
