CALL FOR ABSTRACTS

2017 Joint Specialty Conference - Sustainability & Collection Systems
Conference & Exhibition

Doubletree Hotel, Westborough, Massachusetts
Monday, May 1, 2017

Abstract Submission Deadline: Friday January 6, 2017

The Sustainability & Collection Systems Committee of the New England Water Environment Association is pleased to announce that the 2017 Sustainability & Collection Systems Specialty Conference & Exhibition will be held in Westborough, MA at the Doubletree Hotel (I-495 Exit 23). The committees are requesting abstracts covering the topics of sustainability in and for the planning, design, construction, operations & maintenance, and rehabilitation of collection systems. Abstracts addressing specific projects and case studies are also welcome.

The Committee welcomes all abstracts pertaining to the following topics:

➤ Designs with Sustainability in Mind	➤ Social Sustainability
➤ Wastewater Pumping Systems	➤ Financial Sustainability
➤ Master Plans	➤ Integrated Resource Management
➤ Management Systems	➤ Alternative/Emerging Technologies
➤ Innovative Systems/Approaches	➤ Energy Reduction Plans
➤ Energy Concerns/Initiatives/Incentives	➤ Environmental/Social Impacts of Sustainable Designs
➤ Regulatory Related Issues/Changes/Challenges	➤ Operational Improvements
➤ Environmental Sustainability	➤ Public Outreach
➤ Safety	➤ Wastewater Flow Control
➤ Water Conservation	➤ Groundwater Recharge
➤ Sustainable Maintenance Approaches	➤ Sustainable Operations Approaches

To be considered, please complete and submit the on-line abstract submittal form at <http://www.newea.org/events/specialty-seminars-events/sustainability-collection-systems-conference/>

Abstract deadline is Friday January 6, 2017.

Presenters are responsible for registration and travel fees for this event. Questions may be directed to Rob Montenegro, Collection Systems and Sustainability Committee or the NEWEA office at 781-939-0908.
