

The Water Environment

TEACHER/PUBLIC OUTREACH TRAINING

Join the New England Water Environment Association (NEWEA) for a Teacher (K-12) and Public Outreach Training at the MWRA's Deer Island Wastewater Treatment Plant in Winthrop, MA this summer.

Participate in a treatment plant tour and activity. Learn about NEWEA classroom presentations. Engage in a hands-on World Water Monitoring Challenge workshop that you can repeat with your own students! You can even schedule a treatment plant tour for your class for the 2018–19 school year while you're there.

Lunch and professional development points provided.

Space is limited to the first 50 registrants. Register below or online at: <http://bit.ly/2EWyhd1>.

For more information, contact Lenny Young at leonard.young@mwra.com or NEWEA office at 781-939-0908.

When Tuesday, August 14, 2018
9:30 AM – 3:00 PM
