

Officer & Committee Report Form : Entry # 7280**Executive Committee Meeting Date**

November

Name of Committee or Office

Director - Communications Council

Activities/Decisions Since Last Executive Meeting

I helped the Journal committee secure two articles for the next issue on funding.

I have been actively meeting with the Public Awareness Committee and supporting their efforts including review of a PFAS paper and helped with getting several interviews for what my parent does for work video outreach. I'm helping Faye appoint a VC.

I'm working with the SMT and PEC to re-energize that committee. There have been some inconsistencies with meetings and lack of attendance as well on leadership including vice chair. I'm working with the chair and vice chair to help navigate the changes in that committee and support them.

Meetings/Conference Calls Held

attended PAC and YEC meeting. Had several calls with chair of YEC.

Action Plan Committee/Officer Assignments

YEC established new meeting invite and new meeting day and time. I will not be able to make the next meeting but will follow up with Chair following the meeting to debrief. I will also work at getting the VC more engaged. Lastly, we need to clean up the committee roster for YEC.
