

# NORTH EAST RESIDUALS & BIOSOLIDS CONFERENCE

Virtual • Every Thursday in October: 1, 8, 15, 22, 29

2020  
SPECIALTY  
CONFERENCE  
& WORKSHOP  
SERIES

## Conference Program

The 2020 Northeast Residuals and Biosolids Conference, Exhibit and Tours has gone virtual! NEWEA and NEBRA have designed a series of mini sessions and networking events to bring you the latest and greatest information, research, and technologies every Thursday afternoon in October 2020. Register for all sessions or just one - you choose! Interact with your peers, check out new equipment and products and participate in technical session to advance your biosolids/residuals management knowledge.

### PFAS Session

Thursday, October 1, 2020 - 12:30 PM - 3:00 PM

- 12:30 PM Virtual Trade Show & Networking Activity
- 1:00 PM **PFAS Cost Impacts on Biosolids Programs** - TBD, CDM Smith
- 1:20 PM **Fate of Long Chain and Short Chain PFAS Compounds in Wastewater Treatment Facilities** - Dr. Paula Mouser, University of New Hampshire
- 1:50 PM **Technology Highlight** (TBA)
- 2:00 PM **Multiple Hearth Incineration Can Do It** - William Lill, Industrial Furnace Company
- 2:30 PM **Presentation and Virtual Tour of Hookset, NH's Biosolids Dryer**

### Resource Recovery Session

Thursday, October 8, 2020 - 12:30 PM - 2:30 PM

- 12:30 PM Virtual Trade Show & Networking Activity
- 1:00 PM **Going All In - The 10 Essential Ingredients for an Organics Co-Digestion Program** - Dennis Clough, ESG
- 1:20 PM **Too Small for Resource Recovery? DTMA Makes Energy at a Local Scale** - Don Song, Brown & Caldwell
- 1:50 PM **Technology Highlight** (TBA)
- 2:00 PM **Optimizing Two-Stage Anaerobic Digestion via Recycle for Aerobic Digester** - Justin Wippo, Thermal Process Systems

### SPONSORS

AECOM  
Aqua Solutions, Inc.  
Arcadis  
Brown and Caldwell  
CDM Smith  
David F. Sullivan & Associates  
Environmental Partners Group  
Flow Assessment Services, LLC  
Fuss & O'Neill, Inc.  
Green Mountain Pipeline Services  
Hoyle, Tanner & Associates  
Jacobs  
NEFCO  
Stantec  
SUEZ  
Synagro Northeast, LLC  
The MAHER Corporation  
Tighe & Bond  
Woodard & Curran  
Wright-Pierce

Exhibit and Sponsorship Opportunities are available.

## Conference Program Continued

### Thermal Processes Session

Thursday, October 15, 2020 - 12:30 PM - 3:00 PM

- 12:30 PM Virtual Trade Show & Networking Activity
- 1:00 PM **Is it time to think about thermal drying? Recent Biosolids Management Trends Point to Volume Reduction**  
- Natalie Sierra, Brown & Caldwell
- 1:25 PM **Partnerships for Pyrolysis Project Planning**  
- Raymond Porter, Porter Odor Science
- 1:50 PM **Technology Highlight (TBD)**
- 2:00 PM **Experience and Lessons Learned from Co-Digestion with Thermal Hydrolysis** - Dr. Bill Barber, Cambi, Inc.
- 2:30 PM **Presentation and Virtual Tour of Synagro's Woonsocket Incinerator**

### Regulator Roundtable Discussion

Thursday, October 22, 2020 - 12:30 PM - 3:00 PM

- 12:30 PM Virtual Trade Show
- 1:00 PM **Regulators Roundtable** - Update and discussion on regulations, policies and programs related to residuals and biosolids management from representatives from the six New England states.
- 3:30 PM Networking Activity

### Student Poster Contest

Thursday, October 29, 2020 - 1:00 PM - 3:00 PM

- 1:00 PM Virtual Trade Show
- 1:30 PM **Student Poster Presentations** - Listen to students present their research related to PFAS, solids handling, residuals management and beneficial reuse.
- 2:45 PM Presentation Awards

**REGISTER ONLINE >>** Register for the full conference (all 5 sessions) or just an individual session. Training Contact Hours (TCHs) will be offered for participating states.

### Conference Details

**Registration:** Register for the full conference (all 5 sessions) or just an individual session.

Registrations accepted online.  
Visit: <https://sforce.co/3cdhUtN>

*Registration rates will increase by \$25 two days prior to a session.*

**Conference Details:** These sessions will be held using a virtual platform similar to a website. Registered Attendees will receive log-in and unique password to access the content prior. **Each person must have their own log-in to receive TCH credit.**

**Computer Requirements:** Computer and Internet. The platform works best on Chrome.

**Credits:** Training Contact Hours (TCHs) will be offered for participating states.

**Questions:** Contact the NEWEA office at [mail@newea.org](mailto:mail@newea.org).

**Cancellations:** If you are unable to attend, please contact us prior to the session. No refunds will be given.

**Exhibit and Sponsorship Opportunities are available.** Visit [newea.org/events](http://newea.org/events) for more information
