NOW is the Time!

Join CTWEA

The Connecticut Water Environment Association (CTWEA) supports Connecticut wastewater professionals to improve water quality in our state by effectively advocating on behalf of essential workers and for infrastructure investment. CTWEA will also continue to host technical conferences; networking events; share resources; and promote the exchange of industry information.

MEMBERSHIP OPTIONS*

CTWEA Membership is on a 12-month anniversary basis.

INDIVIDUAL MEMBERSHIP - \$20/year

Individuals employed by a municipality, city/town or regulator within the State of CT.

ASSOCIATE MEMBERSHIP - \$ 100/year

Individuals who are interested in “furthering the purposes” of CTWEA. Consulting engineers, vendors and other professionals are eligible.

STUDENT MEMBERSHIP - Free

Students enrolled in an accredited college or university for a minimum of six credit hours. A valid student ID is required and must be submitted with the application.

**Renewals will be sent 30-days prior to lapse date.*

WHY BECOME A MEMBER?

Membership in CTWEA offers great opportunities for networking, marketing and overall personal and professional development within a very active environmental association.

- **Networking** - Connect with other professionals including CT's wastewater regulators; learn from consultants working in municipalities across CT; and find new products/services from vendors and suppliers
- **Legislative Updates** - Be exclusively connected with our state legislative process through our paid Government Relations Firm “DePino, Nunez and Biggs, LLC”
- **Training and Education** - Earn TCHs for recertification
- **Job Solicitation** - Post a job or find a new one
- **Social Fun** - Join in on the SkiFest, golf at the SewerOpen and other organized activities
- **E-blasts** - Stay up to date with activities, legislative updates and more

WHO ARE MEMBERS OF CTWEA?

Our members work in the public and private sectors of Connecticut and New England:

- Facility Operators
- Collection Superintendents & Specialists
- Engineers
- Consultants
- Lab Technicians
- Utility & Municipal Managers
- Government Policy Makers
- Regulatory Leaders & Staff
- Manufacturer and Supplier Representatives
- Students & Researchers
- Anyone interesting in the Clean Water Industry
