

WEBINAR

Infiltration & Inflow Coast to Coast: Tools & Technology

November 9, 2021 • 11:30 AM EST — 2:45 PM EST

The New England Water Environment Association (NEWEA) and the Pacific Northwest Clean Water Association (PNCWA) will be hosting a joint online webinar focusing on Infiltration and Inflow (I&I) impacts, comparing and contrasting how this problem affects communities in both regions and sharing lessons learned.

The purpose of this event is to:

- To share collections systems knowledge across regions of the United States
- To better understand what I&I problems are common and what I&I problems are unique to each region
- To discuss lessons learned to support other I&I reduction programs
