

OPERATIONS CHALLENGE FACILITY TOUR & TRAINING DAY

Friday, March 21, 2025 · Westborough WWTP

Take a tour of Westborough Wastewater Treatment Plant and learn about Operations Challenge events: Collection Systems, Process Control, Laboratory, Safety and Maintenance. This event includes a facility tour, lunch, classroom and hands on practical experience.

A great opportunity for Operations Challenge Teams to polish skills for the 2025 NEWEA Competition this Spring in Portland, ME.

THE FACILITY TOUR

The Westborough/Shrewsbury Wastewater Treatment Plant is located in Westborough, Massachusetts. The Influent flow to the treatment plant is a combination of three towns, Westborough 38%, Shrewsbury 58% and Hopkinton 6%. Veolia has been operating the facility in a partnership with the Westborough Treatment Plant Board for just over twenty years. The Board has six members three from the town of Shrewsbury and three from the town of Westborough. The treatment plant design flow is 7.68 MGD treating an average of 5.50 MGD daily. Peak flow design is 14.43 MGD. The treatment plant's receiving water is the Assabet River. The Treatment Plant received EPA's Operation & Maintenance Program Excellence Award in 2019.

Note: Attendees are required to wear clothing that is appropriate for an industrial environment and weather. Closed-toes shoes, hard hat, safety glasses are mandatory.
